

The Wisconsin Housing Alliance Political Action Committee supports legislative efforts on behalf of the WHA members and the factory-built housing industry. WHA staff and its members lobby and monitor local, state, and federal legislation to ensure the industry's business interests are represented. WHA's offensive and defensive legislative battles begin in the campaign trenches. There is always more work to be done and we need to thank our legislative friends and encourage the support of those that don't yet know who we are. Please support the WHA PAC today!

Your contribution helps by:

- Increasing **AWARENESS & EDUCATION** about the factory-built housing industry.
- Increasing **RECOGNITION** of factory-built housing initiatives and positions.
- Increasing the **PROFILE** of the factory-built housing industry among the community.
